

MEMBER ACTIVITIES

The Country Club offers an extensive array of activities to our club members. The club hosts major golf and tennis activities such as Member Guest Weekend, various invitational tournaments, a club championship, tennis Pro-Am, and events affiliated with many of the golf groups recognized throughout eastern North Carolina. The Country Club's Ladies' Golf, Men's Golf, Beginners' Golf, and Tennis Associations all provide wonderful opportunities for our members to enjoy each other's company both on and off the golf course or tennis courts. Our General Manager and PGA Golf Professional and the Director of Tennis Operations are highly acclaimed instructors providing personal attention in groups or individually.

At the Country Club we continue to enjoy some of our traditional activities. We have bridge clubs that meet weekly, Twilight Golf while the late afternoons are pleasant, and a schedule of Guys & Gals tournaments throughout the year.

One of the signature member functions is the July 4th family event. Outdoor activities and a variety of food and beverages provide something for every age group. A fireworks display caps the evening that many of our members and their family and friends have made an annual tradition.

Lounge and dining areas surrounded by expansive covered patios provide a wonderful place to meet friends and family. Imagine bringing your guests to brunch on Sunday or to dinner one evening and dining on our outdoor patio. Or simply enjoy a late afternoon beverage and appetizer as you sit on the veranda overlooking the Sound.
