

## The Country Club of the Crystal Coast

is a multi-faceted recreational facility nestled among one of the few remaining maritime forests on the southern Outer Banks. This unique setting

offers spectacular wide angle views of Bogue Sound and the intracoastal waterway as well as glimpses of the abundant wildlife indigenous to our coastal locale.

Our staff takes pride in the quality of our tennis and golf facilities and is committed to enhancing the enjoyment of play for our members and

guests. Activities run the gamut from a variety of social events to recreational and competitive tennis and golf. The club sponsors tournaments and mixed events and has active men's and women's golf associations as well as an active tennis association.
