The Country Club of the Crystal Coast is a multi-faceted recreational facility that is nestled among one of the few remaining maritime forests on the southern Outer Banks. This unique setting offers spectacular wide angle views of Bogue Sound and the Intracoastal Waterway as well as glimpses of the abundant wildlife indigenous to our coastal locale.

Our staff takes pride in the quality of our tennis and golf facilities and is committed to enhancing the enjoyment of play for our members and guests. Activities run the gamut from a variety of social events to recreational and competitive tennis and golf. The club sponsors golf and tennis tournaments, social events throughout the year, and has men's and women's golf associations and a tennis association.
